

# Get Ticket Attachments

This API call applies to both **Armor Complete** and **Armor Anywhere** users.

The **Get Ticket Attachments** API returns the attachment associated with a specified ticket.

You can use the [Get Ticket Meta-Data](#) API to find the ticket number.

## Sample Request

```
GET https://api.armor.com/tickets/153/attachments
```

## Input

The following table describes the different parts of this API call:

API Call / URL	Method / Type
/tickets/{ticketNumber}/attachments	GET

The following table describes the parameter (or parameters) for this API call:

Parameter	Description	Format	Required or optional	Example
ticketNumber	The ticket number	Integer	Required	153

## Sample Return

Status	Response
200	Downloads the attachment
204	No Content
