After you complete the Sales process, you will receive an email to access the Armor Management Portal (AMP) for the first time.

As a first-time user in AMP, you must:

- Complete the onboarding / invitation process
- Access AMP
- Invite users
- Set up your infrastructure

To complete the onboarding process in AMP, please review the appropriate guides:

- [Account Administrators](#)
- [Invited Users](#)

For users who are upgrading from Generation 3 to Generation 4, review the following topics to better understand the upgrade process, as well complete the invitation process and access AMP.

- [Complete the pre-upgrade process](#)
- [Complete the post-upgrade process](#)
 - [FAQs for Generation 4 Upgrade](#)
