

ANYWHERE Installation

Armor Knowledge Base

After you complete the Sales process, you will receive an email to access the Armor Management Portal (AMP) for the first time.

To complete the onboarding process in AMP, please review [ANYWHERE Complete the Onboarding Process](#).

Install The Anywhere Agent

Before you begin, Armor recommends that you review the pre-installation information, including firewall rules.

To learn more, see [ANYWHERE Pre-Installation](#).

Based on your operating system, select the appropriate document to learn how to install the Anywhere agent:

- [Windows 2012 and 2016](#)
- [Linux](#)
