To fully use this screen, you must have the following permissions assigned to your account:

- Read Product Catalog
- View Subscriptions
- Write Subscriptions

For the latest pricing information, visit the **Armor Marketplace** in the Armor Management Portal (AMP).

You can use the **Armor Marketplace** to begin the purchase and configuration process for available add-on products.

Some add-on products in the **Armor Marketplace** may require additional support from Armor before you can use the add-on products.

When you select an add-on product, a ticket will be automatically created and sent to Armor Support to begin the configuration process. Additionally, the billing process will begin.

After a successful order, you can view your products in the **Purchased Products** section under **Marketplace**.

View Purchased Products

1. In the Armor Management Portal (AMP), in the left-side navigation, click **Marketplace**.
2. Click **Purchased Products**.

Cancel a Product Subscription

When you cancel a product subscription, the cancellation will take place immediately; however, you will still be charged for the full amount until the end of the billing cycle.

1. In the Armor Management Portal (AMP), in the left-side navigation, click **Marketplace**.
2. Click **Purchased Products**.
3. Locate and hover over the desired product.
4. Click the vertical ellipses.
5. Click **Cancel**.
6. Click **Cancel Subscription**.
