## Armor Knowledge Base

[Armor Knowledge Base](#) / [Release Notes](#) / [2017](#)

March 2, 2017

### Topics Discussed

Vulnerability RSS Feed

#### **Vulnerability RSS feed** DEPRECATED

---

In the **Armor Management Portal (AMP)**, in the home page, the RSS feed for vulnerability scanning has been removed. This RSS feed used a now-deprecated Google API, which caused the feed to malfunction. As a result, the entire RSS feed has been removed.
