Firewall

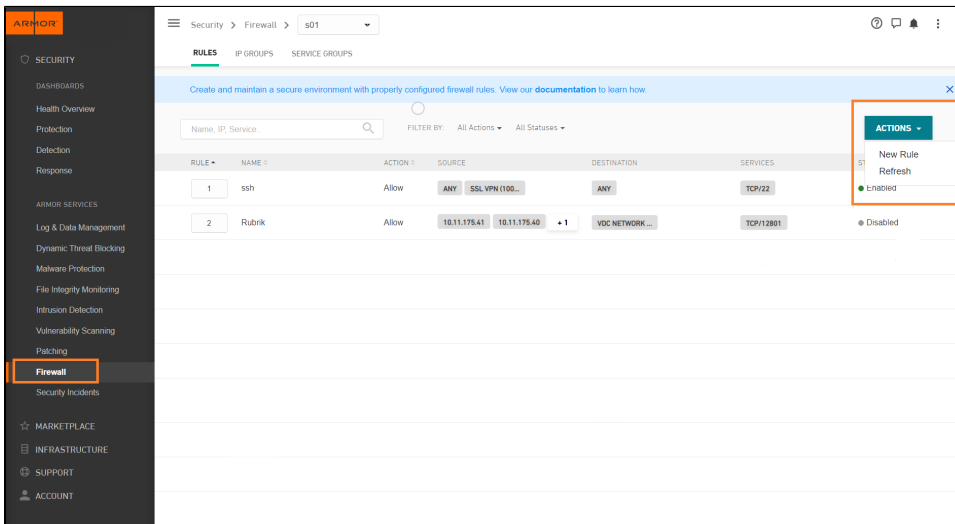

NEW

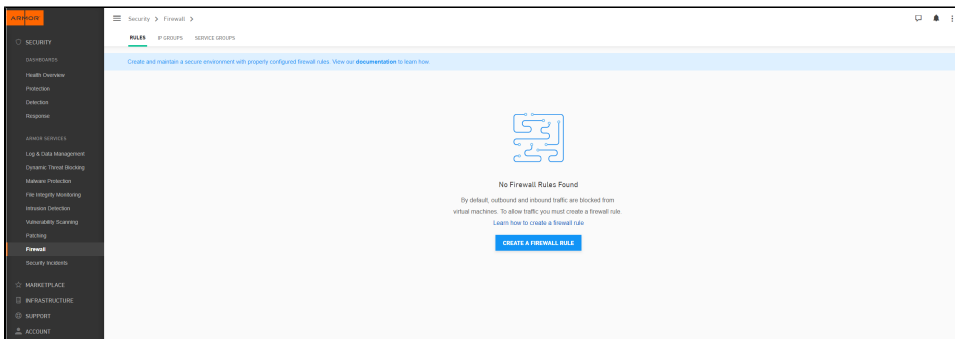

This topic only applies to **Armor Complete** users.

To provide a better user experience and increase consistency throughout the Armor Management (AMP), the **Firewall** screen has been updated with a variety of changes, including:

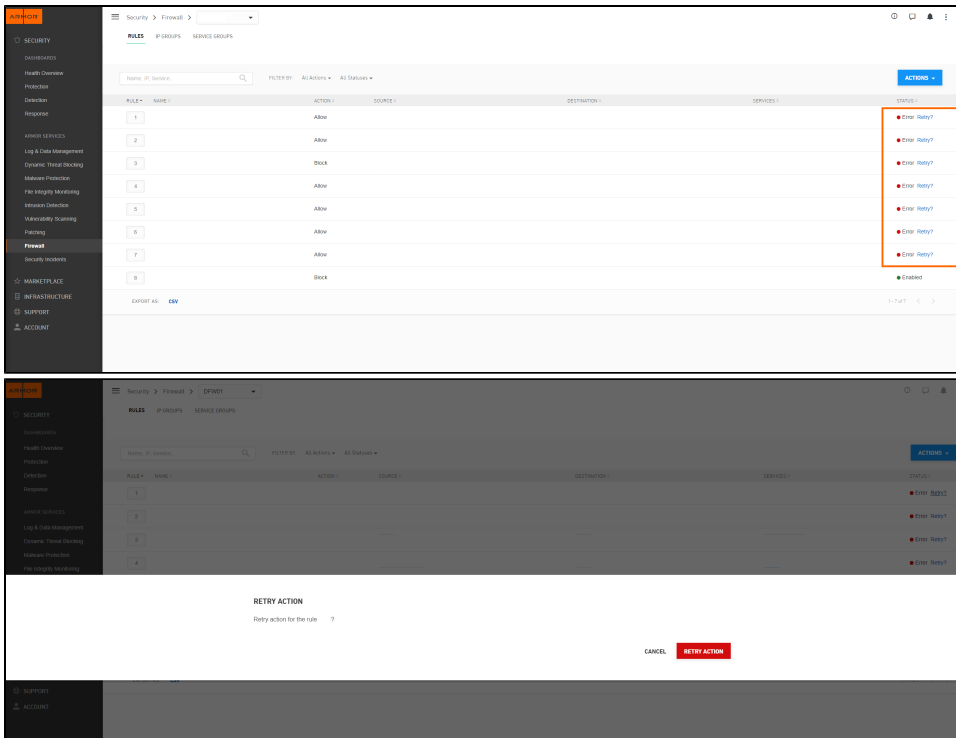

- To create a new rule or group, the **Actions** drop-down menu has been added.

- For users without any rules or groups, an introductory text has been added to help users navigate initial action items.

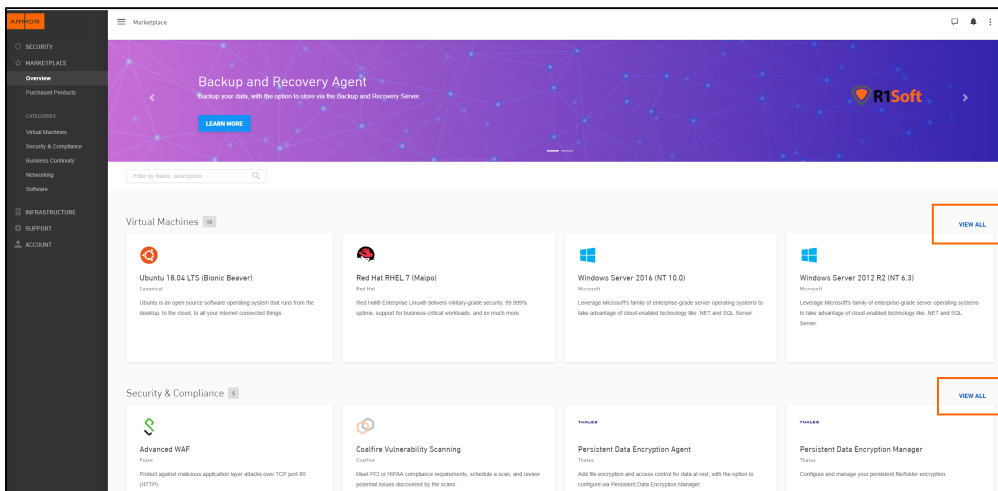

- A **Retry** button has been added to help users troubleshoot rules or groups in an **Error** state.

To learn more this screen, see [Firewall Rules](#).

Marketplace UPDATE

In the Armor Management Portal (AMP), the **Marketplace** screen has been updated to include a **View All** button, which allows you to expand and view all the options for the corresponding section.

To learn more about this screen, see [Armor Marketplace](#).
